RE: AB 196 Attorney General to protect and secure constitutional rights.

Dear Chairwoman Teresa Benitez-Thompson and members of the Assembly
Committee on Governmental Affairs,

The Nevada Firearms Coalition is dedicated to the safe use of firearms for self-defense, competition, recreation and hunting. We are a Nevada grassroots organization representing the firearms owners of Nevada. We are the State Association for the National Rifle Association, and a member of the National Shooting Sports Foundation.

We are requesting that this letter be placed in the official record as our strong support for Assembly Bill 196. Our Constitutional Rights are not subject to executive order, however, as we have seen during the hurricane Katrina disaster, as an example, it is too easy to ignore Constitution Rights. This bill will provide our elected officials the means to challenge any such actions through the court system.

We recommend that your committee pass this bill.

Thank you for your consideration,

Sincerely,
