Dear Senator Dean Heller,

The Nevada Firearms Coalition would like to express our thanks for your efforts to hold and stop the nomination of Elissa Cadish to the federal bench.

There are enough federal judges who do not support the founding documents of this country. Your efforts to not contribute another are much appreciated.

The Nevada Firearms Coalition is a grass roots member organization recently organized in Nevada. We have replaced the NV State Rifle and Pistol Association as the NRA Association for Nevada and we are also affiliated with the National Shooting Sports Foundation.

Again, thank you for supporting our rights.

Sincerely,

Don Turner, President
